The District Secretary has stepped down. We need a replacement for this position.

Group Updates:

GSR Billy K. Suomi Big Shooter Groups: Meeting Face to Face on Sunday's at 7:30 PM. A mask is REQUIRED. Attendance was 6 to 12 now 3 to 6 members. Meetings feel different, no longer feel normal. Meetings are imperative. Especially for the new people attending. The new people really need meetings. Some of the meeting locations are closed.

GSR Jane S. Friday Morning Big Book: Regular members are attending, about 10 members. They wear a mask to enter the meeting – then remove. Trying to space members out. They do sterilize tables and chairs after meeting.

Mat B. Alt. GSR TNT Group: Mask is work on entrance and leaving of the meeting. Spacing, as necessary. Feels surreal – still have fun though. Normal attendance is 8 to 10.

A suggestion: Please notify other members if you are ill. Be sure to get another member's number so you can call at least 1 member.

Brian Mc the Alano Club: Wear mask on entrance and leaving the meeting. If you move from the table, you are to put your mask back on. Attendance is good. The tables and door knobs are wiped down.

Gary K. GSR Sunday Morning Grumpies: Attendance is about 8 people. They also have some new people. They are spreading out in the room.
