Treasurer's Report: beginning balance of \$842.33. Multiple groups donated to the District and a few previous outstanding transactions have cleared. There are still three outstanding transactions (one for the mailbox, two for the building fund), but once those clear the ending balance will be \$855.01.

Gary K. made a motion to approve Minutes as written. Gary T second motion. Motion passed.

Stephanie G. made a motion to approve the Treasurer's Report as written. Don R. second motion. Motion passed.

Old Business: Gary K. will write a check to reimburse Stephanie G. for the party trays. Gerri Ann will suggest a correction in the October Now and Then so it's more specific about "them", meaning GSO and not the District. Brought the idea of the motion back to the groups, and the consensus was positive. Gerri Ann will send out more information via email for Area background information.

New Business: printing of new schedules has been pushed to next month's meeting, amid rising Covid levels in our area again. Gerri Ann and Steph came up with and went over the tentative dates for 2022 District Meetings. Don R. made a motion to accept the motion draft. Gary T. seconds motion. Motion passes, with two opposed. Stephanie G. will send the draft to Gerri Ann.
